'A Wholehearted Church'

## Parish profile for the Parish of Preston Plucknett, Yeovil, in the Diocese of Bath and Wells

### The churches of St James' and St Peter's

*Thank you for taking time to read this profile. If you choose to apply for the position as our new Associate Vicar, we look forward to meeting you.*

*We pray God's hand will guide you as you read and pray*

# St James' and St Peter's Yeovil

'A Wholehearted Church'

We are two churches in an urban parish of 15,000, in the Somerset town of Yeovil. Our churches, and our town, are going through a time of significant change.

We are looking for an Associate Vicar who will help us reach more under-40s with the gospel, connect with new areas of the parish, and support and equip church members in their growth as disciples and their ministry on their daily frontlines.

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## From the Vicar

Welcome! Thank you for taking the time to look at our parish profile. This is an exciting place to be, and an exciting time.

You'll see from the profile that there is a lot of change going on, and many opportunities to reach people with the good news of Jesus. If the Holy Spirit stirs you as you read on, then please, seriously, pray about joining us.

If you want to find out any more about us, please do visit, or you can contact me directly on 01935 422286 or [revdmkeen@btinternet.com](mailto:revdmkeen@btinternet.com) . May God guide you in seeking his will over whether we are the right place for you in the next chapter of your ministry.

David Keen

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## The person we are looking for

We are looking for an ordained priest who is.....

- A visionary leader with a passion for reaching people, whoever they are, with the good news of Jesus,
- Mature in faith, faithful in prayer, and loves the Bible
- Well motivated, has initiative, and is able to enthuse others
- Open to the ministry and the gifts of the Holy Spirit,

And who can.....

- Communicate the Christian faith in a way which connects with modern culture, to help us connect with under-40s to see more of this age group come to living faith in Christ.
- Develop and support new ways of being church, and help us explore new opportunities for ministry and mission in workplaces and new housing estates
- Recognise, nurture and release the gifts and talents of the whole church, especially through the development of lay training and small groups.
- Relate well to all ages, with a pastoral concern to encourage and welcome all-comers to our churches
- Be a resource to the Deanery in developing mission and lay training.

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish

Preston Plucknett serves an area in the north west of Yeovil and is one of four parishes in the town. It was originally a small hamlet outside Yeovil but has grown with the building of new housing. The parish population is now approximately 15,000 with new estates being built on the edges of the parish.

The parish has two churches, St. James', built in 1420 (we celebrate the 600<sup>th</sup> anniversary in 2020) , and St. Peter's, built in the 1930s to serve the Westfield area.

Within the parish are several distinct neighbourhoods. The **Westfield** estate lies to the east, with a large proportion of social housing, and containing some of the more deprived areas in Yeovil. In the centre of the parish is **Larkhill** which is predominantly post-war housing. **Abbey Manor** to the west of the parish is a modern estate consisting mainly of private housing.

The parish contains two of Yeovil's three secondary schools and a VC primary school as well as several care homes for the elderly.

On our North and West boundaries are two new housing estates, and a large trading estate which is being incorporated into Preston Plucknett. All of these present significant opportunities for mission.

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Mission Challenges

### Under-40s

Recent growth at both St. James' and St. Peter's has come mostly among the over-50s age group. At the same time several key younger families at St. James' have moved away from Yeovil.. We long to see this generation reached with the gospel, and growth among 20s, 30s and younger families.

To integrate 'Odcombe Detached' into the parish, following a change to parish boundaries. This area includes Yeovil FC, the head office of the main local paper, several major employers, and 1000 residents. (See appendix 1)

To fulfil our '2020 vision': to be a wholehearted church  
Encountering God      Growing Disciples  
Living the Gospel      Gathering Community

### New forms of church;

In a large and diverse parish, there can be no 'one size fit all' worship. In the last 10 years we've set up several new monthly congregations (Messy Church, 'Arise' youth service, 'Songs of Praise' for 3<sup>rd</sup>-agers) alongside the existing Café Service. We want to see these grow to their full potential, and find new ways of being/doing church which enable people to find faith in Jesus.

**Setting God's people free**  
Encouraging 24/7 whole-life discipleship, so that people find their vocation and use their spiritual gifts in everyday life.

### New housing.

1500 new homes are under construction to the N and W of the parish. All are in the parishes of small rural churches, and we're developing a formal partnership with them to reach these estates with the gospel. In one estate there is already a committed prayer team, and good links with a brand new school.

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish Vision

In 2010, after listening to God and discerning his vision for our parish and churches, we were led to launch the 2020 Vision at our AGM. In ten years time what would our parish look like if we faithfully followed God's word? This vision has developed into the picture of a wholehearted church.

### Encountering God

in worship, within scripture, through prayer, by healing, in small groups, in daily life

### Gathering Community

growing in number and in love as a church, bringing people together in our everyday life settings, bringing people to faith in Jesus, and offering a generous welcome to the hurting

### Growing Disciples

discovering and using our gifts, growing in character and holiness, growing in confidence and in love

### Living the Gospel

working out our Christian calling on our daily frontlines, at home, at work, in the neighbourhood and the community, living distinctive lives and sharing our faith in a natural way.

Our vision is to become churches where we:

- Encounter God more deeply
- Grow as Disciples
- Live the Gospel 24/7 in our everyday contexts
- Gather Community, both within our churches and across the parish

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish Vision – Encountering God

In a large, diverse parish, we look to provide a variety of ways for people to worship and encounter God in worship. The St James' **Worship team** lead our weekly contemporary worship, and uses a wide repertoire of songs. We're now seeing some of our musically able young people leading worship and joining the music team. On three Sundays a month there is also a more traditional service, with hymns and organist.

During Sunday worship, many of the congregation are ministered to by the **Prayer and Healing Ministry Team**, receiving prayer in a quiet, informal, confidential manner. We have regular healing services, and want to encourage the whole congregation to discover their spiritual gifts and to minister with confidence in God.

There is a weekly **intercessory prayer** meeting, and St. James' building is open 6 days a week for personal prayer, with a dedicated prayer chapel. A new midweek lunchtime communion service has recently started, to offer a non-Sunday opportunity for worship.

Since the refit of St. James' church, we have had two **24 hour prayer** events in the church. We are called to be a house of prayer, and recognise that renewal will come when there is a renewal of prayer among God's people.

Encountering God doesn't just happen in the church: through our teaching and cell groups we encourage people to look for the signs of God's work in their community and workplaces

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish Vision – Growing Disciples

For many of the church membership, the heart of the church is our **Cell Groups**. We have 10 cells across the parish, involving over 90 members. The groups are a place to meet with God, grow in faith, and support each other as we live the gospel on our daily frontlines. Most cells meet weekly, and for several of our members they are their main way of belonging to the church.

We run a regular **Alpha** Course or opportunities to join a nurture course (e.g. START, Table Talk), to enable people to explore faith. We've seen a steady flow of people come to faith over recent years, but would love to see much, much more!

We are passionate about helping lay people discover and grow their **Gifts**. A parish-wide 'SHAPE' course (based on the 'Purpose Driven Life' materials, to help people discover their unique gifts and calling) a few years ago led to a team of Lay Pastoral Assistants being trained and commissioned. At present, a team of Lay Worship Assistants are in training. We'd love to help people discover more about their spiritual and natural gifts, and a greater confidence in using them in daily life and in the church community.

For many years the churches have had an annual **Weekend Away** with the opportunity for worship, teaching, fellowship and recreation. For the last 6 years this has been held at the Heatree Christian Activity Centre on Dartmoor.

A number from our congregations attend the **New Wine Summer Conference** each year, to reinvigorate their faith with fellowship, teaching, challenging talks and Spirit-led worship.

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish Vision – Growing Young Disciples

Our younger members are also encouraged to Grow as Disciples through Sunday school (**Junior Church** at St. James', and the **Sunday Club** at St. Peter's), and the **LIFT** youth group (12-16 year olds) at St. James' -

St. James' Junior Church is firmly focussed on making God a living reality in the children's lives: how to listen to God and how God can help them deal with life issues.

St. Peter's Sunday Club is a challenging undertaking: 2 years ago some unaccompanied children from the local estate started coming to church! With a mostly elderly congregation, this has not been easy, but we praise God for the response of the church, and the growing relationships with the children.

At LIFT, the focus is on Bible study and growing faith together, as well as supporting each other in the group. The group has recently launched a monthly evening service, 'Arise', with an extended time of worship, followed by teaching and ministry. On other weeks the group meets in a home for study, lively discussion, and unhealthy food!

In recent years a number of the young people have attended the **Soul Survivor** summer event at Shepton Mallet.

Through our youth worker we also have strong involvement with the **Christian Unions** in two of our local secondary schools. These weekly meetings typically attract around 15 school children at each session. There are plans in place with one school to start a weekly football group with a 'thought for the day', and to run a Christian-based football camp during the school holidays

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish Vision – Living the Gospel

Jesus said 'Love one another' and members of both churches have felt called to bring Jesus' love to the parish, and to the challenging Westfield Estate in particular. A number of initiatives have grown over the past eight years to connect with new generations on Westfield and introduce them to Jesus: Messy Church, Tea and Toast, St. Peter's Sunday Club.

Since **Yeovil Street Pastors** were set up eight years ago, members of both churches contribute their time to Live the Gospel on the streets of Yeovil, ministering to those who inhabit the night time economy.

Both churches regularly contribute items to the **Lord's Larder Food Bank**.

In our main **Sunday and cell teaching**, there is a strong emphasis on working out the implications of the Bible for daily living. Using the 'Fruitfulness on the Frontline' course as a parish has given people a growing confidence in seeing how their faith works out in their daily contexts.

We have a partnership with **Compassion UK**, through which over 20 children are sponsored in a small community in Togo.

Several church members are exploring **vocation** in the church, either to ordained ministry, or to Reader ministry.

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish Vision – Gathering Community

For many in our parish, church means Messy Church, Tea and Toast or Café Church.

**Messy Church** has been held monthly at St Peters since 2008. Run jointly by the two churches, it provides a safe, family friendly and fun morning of Christian-based play activities, culminating in a simple service followed by lunch. Most of those who attend have no other contact with church, and for the first time the church is connecting with young families in the Westfield area.

**Tea and Toast** grew out of Messy Church, as some of the regular children started secondary school. Working principally with challenging non-churched 11-16 year-olds from the Westfield estate, Tea and Toast provides a weekly safe haven, a place to relax, a listening ear, and the message of Christ. Tea and Toast recently expanded into two groups (11-13 and 14-16), through which the 6 volunteers minister to around 18 children.

The **Café Service** is held one Sunday a month at the Abbey Manor Community Centre and is a relaxed and informal all-age gathering aimed at those on the fringes of the church.

In **Tots and Toys** at St. James and **Abbey Manor Parents and Toddlers**, the church connects with over 50 families with pre-school children. These provide a safe, friendly, fun, meeting ground for parents and carers as well as their children. Though there is a strong church presence, the Christian message is kept deliberately low-key so as to make the groups as accessible as possible.

The church has taken to **Facebook**, with a St. James page, and provides the 'admins' for several local community pages. This gives us a greater involvement and awareness in community life, as well as a forum for sharing what the church is doing.

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Parish Vision – Gathering Community *continued*

There are a number of social groups at St. James', within which there is scope for fellowship and helping one another grow in our faith. These include a **Ladies Group** and a monthly **Coffee Morning**. Our Mens Group tends to operate in fits and starts!

One of the newest groups is **Knit and Natter** and after just a year, the group has grown to around 20 ladies, from both within and outside the church membership.

The **Luncheon Club** at St. Peter's provides a weekly lunch and friendship for an elderly group of people, many of whom don't regularly get out of their homes. This group currently ministers to about a dozen people each week. A new weekly Coffee Morning at St. Peters draws in 20-25 people, many of whom are isolated and for whom it has proved a lifeline.

Our Lay Pastoral Assistants take communion to local residential homes, including a popular monthly communion at a local sheltered housing unit.

Also associated with the churches are a number of groups who use the buildings as a venue, including **Bell ringers, Quilters, Bingo, 12 Steps, St James Scout Group, Brownies, and Rainbows.**

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## A Chapter of Change

After a long period of stability (the previous incumbent was in post for 27 years), a lot is now happening at once. Both churches are going through a period of major change:

### St James':

- Retirement of a popular and long-standing incumbent, Tony Perris, who with his wife Helen had a great impact on the church and on many lives.
- After 10 years of growth year on year (a unique occurrence in our Diocese), membership has fallen back in the last 2-3 years. The main reason is several key families and individuals moving away from Yeovil, particularly among our younger members.
- A major re-ordering of the church building, to increase seating capacity, comfort and flexibility, and open it up for community use.
- Significant change among the leadership – the Vicar, Curate, youth worker and families worker have all been appointed in the last 2 ½ years.

### St. Peter's:

- The average congregation has doubled in size in the last 5 years, and several local children have started attending
- The growth of Messy Church and Tea and Toast now means the church is engaging with a much younger demographic than before
- The church hall is about to be demolished to make way for a brand new Community Centre.

And around the borders of our parish, even more is changing...

# St James' and St Peter's Yeovil

'A Wholehearted Church'

# Breaking New Ground – Mission to new estates and workplaces

Brimsmore and Lufton both lie in the neighbouring '5 Crosses' benefice. We're developing a partnership with them so to develop mission in both estates – '5 Crosses' is a rural benefice and our vision is for St. James to be a resource church working with them. We would love to see new congregations established in both estates.

Brimsmore estate – 800 new houses with primary school, community centre, shops and neighbourhood centre. 100 already built.

Current parish boundary, with churches marked

'Odcombe Detached' – industrial park plus 400 homes which was added to the parish at the beginning of 2018. Includes Yeovil FC, the Western Gazette, Screwfix and other significant local employers. This is an exciting opportunity to connect with some key local workplaces, and to reach out to a new residential community.

Lufton estate – 700 new houses with primary school (under construction) and small community centre. 200 already built.

## St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our Churches: St. James' & St. Peter's

**St. James'** is a friendly, prayerful, all-age, community with a membership of 130. There is a relaxed and welcoming ethos, coupled with a commitment to outreach and community. Most of our folk are part of our 'Cell' structure and regular worship includes a mix of contemporary and traditional services. More details of church life can be found in the other parts of this Profile.

The church building is a grade II\* listed building built c.1420, which originally served a hamlet of less than 200 people. Since 1970 the church has added toilets, an office, entrance lobby, kitchen and an octagonal church room that has proved to be a real blessing as a community space. The major re-ordering in 2016-17 has opened up the church as a prayer and community space, and given us much needed space and flexibility.

**St. Peter's** is a more elderly congregation, with deep roots in the local estate, and 50% of the members new in the last 3-5 years. There is a flourishing culture of lay leadership and involvement. The church is rediscovering its role at the heart of the Westfield community, and there is a genuine buzz about the place.

The church building is a functional 1930s hall, gradually being brought up to date! In 2018 we plan to replace the dilapidated church hall next door with a purpose-built Community Centre, working with the local community and council.

4 <sup>th</sup> Sunday	10:30am 6.30pm	<b>Contemporary Family Communion</b> with children's groups <b>'Arise'</b> youth-led worship with teaching and ministry	72 adults, 12 children 24 adults, 6 children
5 <sup>th</sup> Sunday	10:30am	<b>All-age service</b>	70 adults, 10 children
Mondays	3:30pm	<b>Intercessory Prayer</b>	

- *St Peter's weekly services include CW Morning Prayer, Communion and informal 'Peoples' Service', using CD backing tracks.*
- *St James' formal services use CW Morning Prayer and Communion with worship led by organ and choir.*
- *Family Services use material from CW, Patterns for Worship, and are put together around the theme of the service.*
- *The Café-style service is an all-age, participative style of worship with regular use of DVD clips, prayer-stations and discussion.*
- *Services on 3<sup>rd</sup> and 4<sup>th</sup> Sundays at St James' include a live video relay into the church room.*

## St James' and St Peter's Yeovil

'A Wholehearted Church'

## Who's In the Team?

- A committed leadership team at both churches, including a Vicar, and Curate (Distinctive Deacon)
- A Reader, and teams of trained lay Pastoral and Worship assistants.
- An administrator
- A strong underpinning of fellowship and unity within the church, sustained by the established Cell structure of the church body
- A team of youth and children's leaders, including part-time Youth and Children & Families Worker.

Other support includes:

- A supportive congregation
- A prayer ministry team
- Music worship leaders
- Healing ministry
- A parish website and social media presence

We would support and encourage you to find a mentor, and regular prayer/accountability partners outside the parish. We'd also want to encourage you to take regular retreats and quiet days, or whatever form of reflection and time with God sustains and renews you in ministry and life.

Our churches are part of Yeovil Deanery, with a supportive Clergy Chapter. We have good links with other local churches, both formal and informal – Yeovil has seen a lot of strong ecumenical initiatives in the last 20 years. There are two other churches based in the parish: a Methodist congregation, and Yeovil Family Church, part of the New Frontiers network.

'A Wholehearted Church'

## About the Vicar.....

The key working relationship in the parish will be with our vicar, David Keen: so, in his own words.....

*"A bit about myself, so that you know who you might be working with. I'm married to Becky, and we have two teenage children, a dog and 2 Degus (I had to Google them too).*

*Originally from Sheffield, I came to Somerset first to work for Clarks shoes, then trained for ordination at St. Johns Nottingham. After a curacy in Yeovil, and 5 years running a newish church plant in Darlington, we moved back here in 2006. Following 11 years as Associate Vicar in Preston Plucknett I became vicar in summer 2017.*

*If I fit into any theological pigeon-hole, it's 'charismatic evangelical': my faith is nurtured by New Wine, CPAS, LICC, and the writings of people like Richard Foster and Bill Hybels. I like talking movies, theology, politics and culture, and used to blog quite a lot at 'Opinionated Vicar' <http://davidkeen.blogspot.co.uk/>*

*I'm increasingly been drawn to prayer as the foundation for all we do, and exploring how we can become a more prayerful church, and link in with the 24/7 movement."*

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Our town

Yeovil is the principal town of South Somerset with a growing population of around 45,000 and serves as a hub for the surrounding area. The major employer is Leonardo Helicopters (formerly Westland Helicopters) and several thousand are employed there and in associated industries. Another major employer is the naval air station of RNAS Yeovilton which lies about 6 miles to the north of the town and is the primary base of the Royal Navy's helicopter fleet.

Socially, Yeovil is an average town without significant extremes of poverty or prosperity and has relatively low unemployment. The social mix is mainly white British together with a recent significant Eastern European community within the town.

Yeovil is a pleasant town and prides itself on having "The Heart of the Country, the Mind of a City". Amenities include two theatres, a large entertainment centre, health centres, a cinema complex, swimming pool, shopping centre, country park, and a district general hospital which offers a number of specialist facilities. The hospital trust employs about 2,200 staff. Yeovil has a country park and numerous recreational, sports and play areas. There is a further education college and a university centre connected to Bournemouth University. Yeovil Town Football Club (the 'Glovers') are currently in League Two, although they did spend one season in the dizzy heights of the Championship. Their stadium is on our parish boundary.

Communications are good, with rail links to London, Bristol, Weymouth and the South West. London is about 3 hours away by car and Salisbury, Taunton, Exeter and Bath can be reached in about an hour. There is superb countryside in all directions including the World Heritage Jurassic coast to the south, the Mendip Hills to the north and the Quantocks, Exmoor and Dartmoor within easy striking distance.

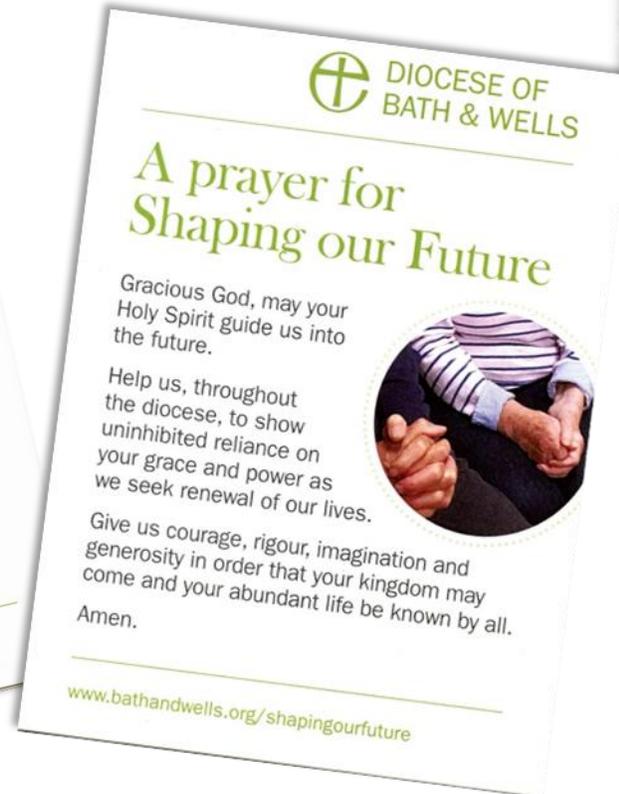

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## How does our Parish Vision fit into the Diocesan vision?

Our Bishops Peter and Ruth, both fairly new to the Diocese, have been encouraging us all to take a fresh look at how we seek to be God's people, living and telling out the story of Jesus. This stands firmly alongside our parish vision for a wholehearted church and encourages us to take the story of Jesus into our community in new ways.

**'In response to God's immense love for us, we seek to be God's people living and telling the story of Jesus'**

## St James' and St Peter's Yeovil

'A Wholehearted Church'

## What's the House Like?\*

A modern purpose-built vicarage (1992) approx. 100 metres from St. James'

- 4 bedrooms, 1 en-suite
- Family bathroom
- Lounge
- Kitchen
- Utility room
- Dining room
- Downstairs study
- Downstairs cloakroom
  
- Solar panels
- Mature front and rear gardens
- Tarmac drive
- Double garage

Local shops, supermarket and schools within walking distance

\*(The property for the Associate Vicar is actually the Vicarage – our new Vicar was previously associate Vicar in the parish, so wasn't required to move house to the vicarage after being appointed.)

# St James' and St Peter's Yeovil

'A Wholehearted Church'

## Parish policies

**Children in Communion** - Baptised children from age seven are admitted to communion provided they have parental consent and have completed a preparation course.

**Infant Baptism** - All children are welcomed for baptism. Parents are encouraged to attend church as often as possible before a baptism takes place and an information and preparation session is always held before a date is fixed for baptism.

**Safeguarding** - The Diocesan Safeguarding Policy with regard to children and vulnerable adults has been adopted by the PCC. Full details are available on the Diocesan website. Parish safeguarding officers have been appointed.

**Weddings** - Diocesan guidelines are followed with appropriate marriage preparation taking place.

**Women in Ministry** - The ministry of women, both ordained and lay, is encouraged and welcomed in every aspect of parish life. If you have a theology of spiritual gifts which holds that they died out with the apostles, or that some are reserved exclusively for men, then this probably isn't the parish for you.
