

Dear Friends,

A much briefer email, in advance of tonight's quiz, which will be live on our Youtube channel from 6.30pm\*<https://tinyurl.com/wgkrpcq>\*  
<<https://tinyurl.com/wgkrpcq>>\*\*

Attached are a couple of rounds of the quiz, for you to do in your own time, have fun!

Also attached is a children's activity pack on the theme of Sundays reading, there are several things to choose from so do pick out the things which will work best with your family, if you have children at home. Sundays service will be live as usual from 10.30am.

Several of our cell groups are already using Zoom, a video conferencing website (<https://zoom.us/>) - whilst we will keep using Youtube for worship, webcasts etc., we will start using Zoom more over the coming weeks, for corporate prayer, discussions, socials, and (if we can make it work!) worshipping together. Getting a Zoom account is very easy, and each meeting has a simple link to click, which gets you in.

Thankyou for all the kind and encouraging comments about the worship, prayer podcasts, webcasts etc. If you would like to contribute anything - a poem, a story, a bit of music, a quiz - then please do, it would be lovely for lots of us to share things to bless and encourage the church family. For example someone has been posting photos of flowers and views of St James on the facebook page in recent days, which has been a real blessing (I've attached a couple). If you have something you'd like to share, please do post it if you're on Facebook (or the St Peters Whatsapp group), or send it to myself or Ruth.

Finally, the new Lords Larder collection point at the Westfield co-op has been a great success, so if you would normally give food through St Peters, that's where to drop off your donations now.

Look forward to 'seeing' you later for the quiz. "The Lord is my strength and my song" (Ps 118:14)

yours in Christ

David and Ruth
